Sponsorship Prospectus

We would be very pleased to have your company as a sponsor for the *Reproducible Builds Summit 2026!*

We welcome you to sponsor our summit at a level which fits your budget and matches your desired level of visibility in our community and in the media.

Your contribution makes it possible for us to bring together a larger number of FOSS contributors from all over the globe to work together, help and learn from each other, and forge friendships across the involved people and their respective communities.

As our project is distributed across the world, meeting face to face improves the remote collaboration among our contributors during the remainder of the year.

It also represents a possible advertisement for your company, as we'll call out to our sponsors multiple times during the event, as well as recognize them in our web pages.

Donation

We offer several sponsorship levels, detailed below, and are also open to other opportunities:

- Gold (more than 10,000 €)
 - You'll be a cornerstone in making this event happen!
 - Your contribution will substantially help further the overall project
 - Prominent logo on the event web page
 - Six months of recognition with your logo on <https://reproducible-builds.org/who/sponsors/>
- Silver (more than 5,000 €)
 - Our everlasting thanks!
 - Large logo on the event web page
- Bronze (more than 1,000 €)
 - Our most heartfelt thanks!

- Small logo on the event web page
- Supporter ($\leq 1,000$ €)
 - Our heartfelt thanks!
 - Written acknowledgment of your support on the event web page

Corporate Registration

We would be honoured to have your employees attend our summit!

The event will be attended by members of several prominent FOSS communities, as well as employees of world-renowned enterprises.

With our Corporate Registration option you'll be supporting our cause, help sustain the summit itself, and make sure your company stays on top of the state of the art in the Reproducible Builds world.

The Corporate Registration for our summit is 750 € and comes with a written acknowledgment of your support on the event web page.

For more information and signing up for sponsoring this summit, reach out to us at 2026-summit-team@lists.reproducible-builds.org where we'll be able to further discuss the opportunities involved.
